

RECITAL PROGRAM AD FORM

Please print all information clearly. Business cards and photographs should be placed in an envelope and attached with a paper clip so there is no damage that could affect the final ad product quality. Please write name of dancer on any photographs submitted so they can be properly returned. Credit card payments can be made in person or by phone. Cash and checks must be turned into the office. Returned checks and declined credit card payments will incur a \$35.00 fee charged to the student's account and the ad will not appear in the program unless the fee and ad cost are paid in full prior to April 1. If ads are not print ready, there will be a set-up fee assessed.

Ad-ready copy can be emailed as a pdf to info@artistsinmotionfl.com
